Readers choose best area businesses

Over several weeks, readers of the Indiana Gazette and The Blairsville Dispatch cast votes to support their favorite local businesses. Readers completed a full-page or online ballot to vote who they think is the best in the area as part of the 5th Annual Readers' Choice Awards. Ballots featured more than 100 categories, including service and retail, fun and entertainment, and food and healthcare.

The first-place business in each category earned the "Gold Medal Award" for the most votes, followed by the "Silver Medal Award" and "Bronze Metal Award." Readers who completed the form were entered into a random drawing to win a \$100 gift certificate from a participating advertiser. This year's winners are: Dave Coker of Indina; Joey Moins of Indi-

ana; Kitty Cauley of Indiana and James E. Huey of Home. Jessica, Steve, Paul, and the entire Indiana Gazette staff would like to thank everyone who helped make the fifth annual Readers' Choice Awards a huge success.

"I would like to thank the Indiana Gazette staff and everyone who worked on this project to make it a success," Jessica said. "We could not have done this without the help of our valued readers and the support of local businesses. The Indiana area is full of many wonderful small businesses, and our staff enjoys working with them."

Keep an eye out for next year's Readers' Choice Awards to support your favorite local businesses and have a chance to win a gift certificate to a local business.

GOLD LOOKS GOOD ON US

Thanks to your votes, Krevetski's D&G Store struck Gold in this year's Readers' Choice Awards—and we're feeling the love!

Whether you're popping in for our **homemade daily specials**, grabbing your lucky numbers and **scratch tickets** from the **brand-new 40-bin lottery machine**, or cooling off in the **walk-in beer cave**, we're here to make every stop a good one. And if it's the pizza that keeps people coming back—you're definitely not alone.

Locally loved. Community fueled. Always stocked, always friendly.
